CHINKIANG.  
December, 16th 1889.

His Excellency Chang Chihlung passed through Chinkiang on his way up the river on Saturday. The *Kiangwan* remained at the bulk all day to allow the Viceroy to go ashore and visit Golden Island and other places. The Chinese officials paid their respects, but Chang was so busy that he could not appoint a time to receive the Consuls. The steamer was not allowed to discharge cargo until 9 a.m. on Saturday, for fear of disturbing the great man's repose. The departure for Nanking was not made until eight, when, amid the rattling and banging of machinery and cannon, the *Kiangwan* left the bulk. One of the Chinese men-of-war at Kwachow accompanying the party "dressed ship" and enough powder was wasted to keep the rice kitchen open a good while. It was a brave event, as your Chinese (?) correspondent from this port would express it.

There is considerable suffering among the poor in this district, but the wheat and bean harvests were plentiful this year, and this will keep the farmers alive until spring. Great numbers of refugees have been passing through Chinkiang for more than a month. The rice kitchen will probably be open on the feast of the winter solstice. Two ghastly murders have recently been committed among the Chinese which show the existence of desperate robbers in the vicinity.

The buildings which the rioters burnt a year ago are being rapidly replaced by new ones. Work has begun on the new English Consulate, but owing to some cause it will not be ready for occupancy until 1891. The Consul is at present quartered in the large house on the bank belonging to Mr. Dunn. He has already gained this respect and confidence of foreigners dwelling in this district, parts of the fort—S. I. W. in *the Daily News*.

## BRITISH NORTH BORNEO.

1st December, 1889.

We note that the sailing vessel *Kalukana* which recently made two trips up the Kibangan River laden with attaps, has been dismantled and now lies off the China Borneo Co.'s saw-mill wharf, being in use as a receiving bulk.

We learn on good authority that the purchaser of the whole of the Banguay tobacco crop, for which he paid 25¢ per pound, has resold it at 21—11¢ per pound. In consequence, the German Borneo Co. are preparing to open one hundred fields in Banguay next year.

By the steamer *Paknam*, which arrived here on November 18th, Mr. J. J. Dunn, Managing Director in London of the British Borneo, Trading and Planting Company, was a passenger, having come out to make a general inspection of the progress of the timber works and plantations.

Official information has been received that H.M. Ships have received orders that the British North Borneo flag is to be saluted with 21 guns in future. This recognition of British North Borneo by the British Government as an independent State will strengthen the position of the Company's Government in many ways.

Captain Craigie, of H.M.S. *Hyacinth*, undertook while in port to demolish the "Memnon" rock. This was successfully accomplished on the afternoon of the 27th and 30th November by the ship's divers with dynamite and gun-cotton, and so a constant source of danger to the shipping has been for ever removed.

The new hotel site is rapidly progressing. One of the land marks of old Sandakan has lately disappeared in the shape of the house lately occupied by Mr. F. Bayley, and which in the old days was the residence of Captain Connor, R.N. Port Master. The soil taken away has made a road across the gully between Mr. Skerchly's residence and the "Barn." Mr. Sampson's late residence has also been obliterated.

Mr. N. Tene was a passenger to Sandakan by the *Banjermin* which arrived on the 1st November. Mr. Tene has joined the Land Office in Sandakan as Chief Surveyor.

Mr. Tene's career as a surveyor began in New Zealand in the beginning of the year 1873, when he joined as a cadet, and he was placed on the list of authorized surveyors on the 4th June, 1877, since which time he has served under the Surveyor General for the New Zealand Government, latterly as district surveyor at Napier.

The China-Borneo Co., steam launch *Nor-mankhurst* left Sandakan on the 24th instant with about 130 men for the Lamag Planting Company's Estate which is situated a little below Sibongan. Messrs. E. E. Abrahamson, James Fockens, the manager of the Lamag Estate, who has assisted Mr. Broder, were passengers. The *Nor-mankhurst* experienced no difficulty in reaching so high up the Kibangan River although the water was low at the time, and she will in future call at Melipi, Bilet, Koyah, Batu Puli, and the Lamag Estate on her usual trip.

Mr. Thomas Morgan, a coal miner, arrived at Sandakan on the 23rd November in the steamer *Banjermin*. Mr. Morgan has been engaged by the Syndicate formed by Messrs. Bogaardt and Abrahamson to work the coal mining concession granted by the Government which includes a large portion of the East Coast. Mr. Morgan is in company with the Commissioner of Lands, Mr. Henry Walker, has visited the various outcrops found by Mr. Walker near Sandakan and considers the show, extending as it does over some three quarters of a mile, affords fair hopes of ultimate success. We hope the operations to be conducted by Mr. Morgan will prove that a paying coal field exists.—*Herald*.

THE Hongkong Branch of THE HALL & HOLTZ CO-OPERATIVE CO., LD., has been formed into a separate Company with the above title. This business was acquired in August, 1888, as a going concern, by THE HALL & HOLTZ CO-OPERATIVE CO., LD., (the present Vendors) and has since then, under able management, progressed so satisfactorily in increasing its sales and extending the scope of its several departments, that the Vendors, although confident that further development will result in an increasingly profitable trade, find that they are unable to supply the required capital, as their Articles of Association do not permit them to borrow by way of mortgage, nor can they increase their Capital for the purposes of business in Hongkong.

The Vendors have therefore agreed to sell to the Hongkong Trading Company, Limited, the Hongkong business, in consideration of the sum of \$400,000 for the goodwill and certain advantages with regard to special agencies for the Vendors, Home buying, &c.

The Stock-in-trade, Fixtures, Household Furniture, etc., will be taken over by the Company at cost valuation (as per stock books) on December 31st, 1889, and the Book Debts (after writing off all known bad debts) will be also taken over, less a deduction of 5 per cent.

Satisfactory arrangements have been made for a much-needed enlargement and improvement of the present premises, and the refusal of a lease for 3 or 5 years at the Company's option has been secured.

The following are the principal departments, as at present carried on, viz:—  
Household & General Stores, Wines & Spirits, Furniture Factory, &c.

Gentlemen's Outfitting and Tailoring, Drapery, Millinery & Dressmaking, Ladies & Children's Outfitting, &c. &c. Goods, Furnishing, General Upholstery, House Painting and Decorating.

It is proposed to add a Furniture Factory, and such other branches of trade as from time to time may be considered advisable.

The Vendors will bear the whole cost of the preliminary and other expenses attending the formation of the Company, up to the date of allotment.

Applications for Shares (accompanied by a deposit of \$5 per share) must be made on a printed form, and forwarded to the Company's Bankers; should no allotment be made the deposit will be returned in full, and in case the number of shares allotted is less than that applied for, the surplus deposit will be appropriated towards the sum due on allotment.

Application Forms may be obtained at the offices of the Company's Bankers in Hongkong, Shanghai, and Coast Ports.

The list will be closed in all these places on the 30th December, 1889. [1590]
